	student_email	course_name	5 out of 7	BPT_Eligible	GrPA_Eligib...	SCT	Date	Time	Overall_Eligible
1.	23f3001329@ds.study.iiitm.ac.in	Programming, Data Structures and Algorithms using Python	Eligible	Eligible	In_Eligible	Approved	Apr 26, 2026	01:00 PM to 03:00 PM	In_Eligible
2.	23f3001329@ds.study.iiitm.ac.in	Database Management Systems	Eligible	Eligible	Eligible	Approved	Apr 26, 2026	09:30 AM to 11:30 AM	Eligible

1 - 2 / 2 < >

If Overall_Eligible is marked as **Eligible**, your OPPE 2 slot will be allocated. If it is marked as **In-Eligible**, you will not be eligible for OPPE 2.

For courses such as **MLP, C Programming, Introduction to Big Data, and MLOps**, only one slot is available; therefore, slot change requests cannot be accommodated for these courses.

For all other courses, slot change requests may be considered upon submission of valid proof on or before **17 April 2026**. Requests received after this deadline will not be entertained.

For students whose SCT status is **Not Submitted** or **Rejected**, Window 4 is currently open. Please submit your SCT before the deadline. OPPE 2 will be scheduled only after the SCT is approved.
